ABOUT THE BRONX ARTS ENSEMBLE

The Bronx Arts Ensemble has been bringing the arts to neighborhoods across the Bronx and citywide since 1972, featuring works of diverse cultures, including classical, Latin, Afro-Cuban and world music. The Bronx Arts Ensemble's arts-in-education programs have served students since the 1980s through multidisciplinary teaching residencies during school hours and after-school that culminate in original auditorium programs and in-school art exhibits.

This program is supported, in part, by public funds from the New York City Council and District 11 Councilmember Eric Dinowitz.
